

THE BEAST

1250 Nm Beasty Power

1/2" Composite Impact Wrench for universal use.

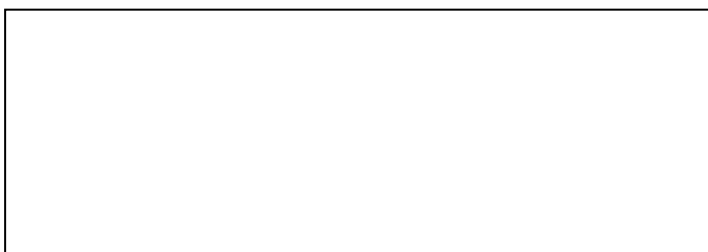

- fast and high torque with forged DUOPACT mechanism (1)
- light weight – only 2 kg even at this high power level
- robust forward-reverse shift/power regulator (2) one knob only and always full power in reverse
- air exhaust down motor housing (3)
- swivel air inlet (4)
- with re-greasing plug for the impact mechanism

model 2277 "The Beast"
order no.: 89510 00025
